**One Trophy … One School**

This is the twenty-first summer for the Plainview-Old Bethpage Library Summer Reading Trophy competition. The contest is always a huge success. The last trophy winner was Pasadena Elementary School, which won a collection of books. The winning school will be awarded the trophy during a special presentation.

This year we predict it will be a real competition among the public schools in the district. The rules are the same. The winning school will be determined as follows:

- **Children must be registered in our Summer Reading Program**
- **They must have read at least 3 books during the 7 weeks of the program**
- **The school with the highest percentage of children who meet the criteria will be awarded the Summer Reading Trophy**
- **In case of a tie, the winner will be decided by which school had the highest percentage of children reading 6 or more books**

*Keep track of your school's progress on our display in the Family Center.*

**Happy Reading!**
