Encourage families to spend time together while promoting Kindergarten readiness - one book at a time!

The concept is simple, the rewards are priceless. Read a book (any book) to your newborn, infant, toddler, and/or preschooler. The goal is to have read 1,000 books (yes you can repeat books) before your precious one starts kindergarten. Does it sound hard? Not really if you think about it. If you read just one book a night, you will have read 365 books in a year. That is 730 books in two years and 1,095 books in three years. If you consider that most children start kindergarten at around five years of age, you have more time than you think. (So get started). The key is perseverance. To help, the Family Center will offer incentives. Come into Family Center and sign up today. You will receive a packet and bag to get you started. If your child was enrolled in the Summer Reading Program those books can be counted.

Registration for the following programs is required and limited. In order to register for a Family Center program, your child’s date of birth MUST be on file in the Family Center. A birth certificate or passport will be required as proof of age. Registration for all programs is age specific. Sign up in the Family Center or by telephone with your library card. ALL PROGRAMS ARE AGE SPECIFIC. NO YOUNGER OR OLDER SIBLINGS UNLESS SPECIFIED.

### General Program Guidelines

- In order to register for a Family Center program, your child’s date of birth must be on file in the Family Center. A birth certificate or passport will be required for proof of age. Registration for all programs is age specific.
- Preference is given to Plainview-Old Bethpage School District residents.
- POP Library Card numbers are required at the time of registration. If you register for someone other than your child, you must have that person’s card number as well.
- All programs begin on time. After 10 minutes NO ONE WILL BE ADMITTED.
- See DATES & GLANCE for program registration dates.
- An accompanying adult must remain in the Library while the child is attending the program. For safety reasons, we cannot leave the library to escort your child to the restroom.
- THE 3 STRIKE RULE: Please call 938-0077 X 237 to cancel if your child is unable to attend a Family Center program. Any family that fails to cancel two times will receive a warning letter. When this happens a third time, the family will be placed on a waiting list for any program they register for during a 3-month period.
